

WHERE YOU CAN BELONG

# Connection Groups

God created humanity for community. From the beginning, we were made to know Him and to live in relationship with one another. Connection Groups provide an opportunity to move beyond simply gathering in the same room on Sundays and into deeper fellowship, meaningful relationships, and a shared pursuit of glorifying Jesus.

Spiritual growth was never intended to happen in isolation. Christians grow most when they are surrounded by other believers who encourage, challenge, pray for, and walk alongside them. As Charles Spurgeon once said, "Some Christians try to go to heaven alone, in solitude. But believers are not compared to bears or lions or other animals that wander alone; but those who belong to Christ are sheep in this respect, that they love to get together. Sheep go in flocks, and so do God's people." It is through biblical community that we are strengthened to follow Christ faithfully and are reminded that we are part of something greater than ourselves.

You were never meant to walk the Christian life alone. Connection Groups are a place to belong, grow, serve, and become more like Jesus alongside others who are pursuing Him. Take the next step by getting connected and experiencing the blessings of biblical community.
