

WHERE YOU CAN BELONG

Connection Groups

God created humanity for community. From the beginning, we were made to know Him and to live in relationship with one another. Connection Groups provide an opportunity to move beyond simply gathering in the same room on Sundays and into deeper fellowship, meaningful relationships, and a shared pursuit of glorifying Jesus.

Spiritual growth was never intended to happen in isolation. Christians grow most when they are surrounded by other believers who encourage, challenge, pray for, and walk alongside them. It is through biblical community that we are strengthened to follow Christ faithfully and are reminded that we are part of something greater than ourselves.
